					First Named Inventor: COLIN SILLS

As below named inventors, we declare that
Our citizenships are as stated below next to our names. We believe that we are the original and first inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled: **SENSING APPARATUS AND METHOD**.

The specification attached hereto and of which was filed on 31 December 2003 as International Application no. PCT/GB2003/005701, and is amended herewith.

We hereby state that we have reviewed and understand the contents of the above-identified specification, including the claims as amended and by any amendment specifically referred to above.

We acknowledge the duty to disclose information that is material to patentability as defined in 37 C.F.R. 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

We claim foreign priority benefits under 35 U.S.C. § 119/365 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on the basis of which priority is claimed.
